

# IG SERIES

LED CANOPY & SOFFIT LUMINAIRE

**CREE** LIGHTING

## Light That Looks Great On Every Level

Cree Lighting's WaveMax® Technology provides unmatched low-glare comfort and decreased LED source luminance by smoothly spreading brightness over the optical lenses to deliver precise illumination where it's needed.

The streamlined design of the IG Series breaks away from dated traditional industry designs to blend form with function by delivering superior low-glare illumination via a sleek, lightweight modern fixture—forever changing the way you'll see parking garage lighting.

With the IG Series, operating at just 33 to 76 watts, you can expect lower operating costs throughout the life of the luminaire.

# Designed to Stand Out From Every Direction

Parking Structure lighting is critical for welcoming visitors into the garage and providing a positive experience to make a great first impression...every time.

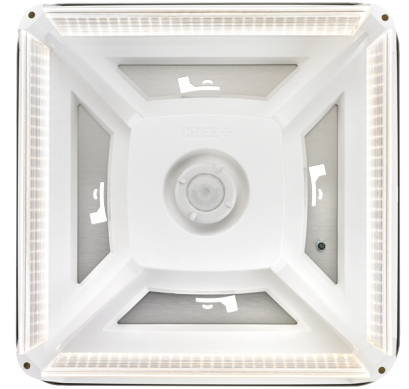

Whether for new construction or retrofits, the IG Series offers proven performance and reliability – DLC Premium energy efficiency and savings with multiple lumen packages and control options.

## *WaveMax® Technology revolutionizes waveguide technology, defying industry norms on light delivery assumptions*

- DiamondFacet™ optical elements within the optical waveguide platform extracts and delivers light with exceptional control, uniformity and efficiency.
- 80 CRI: 3000K, 3500K, 4000K, 5700K
- 4,000 | 7,000 | 10,000 lumens
- DLC Premium level efficacy up to 136 LPW

## *Configure the IG Series for seamless performance tailored to your requirements, hassle-free*

- Level by level, the 4,000-lumen (4L) luminaire provides blanket coverage at 8 to 15-foot mounting heights.
- Standard luminaire can mount to both pendant or J-box (order separately).
- J-Box mounting bracket mounts directly over existing 4" (102mm) square, rectangular or octagonal junction boxes only.
- Pendant mount includes 6" (152mm) wires out of luminaire and provides a splice location for mounting to 3/4" IP pendant (by others).

Side Light Shield (IG-SLS)

Bird Shroud Kit (IG-BG)

## Applications

Parking Garage
